

NEPSI Regulatory Subgroup Survey  
Requirements for CRTs  
State of \_\_\_\_\_

1. When does a used computer monitor or television (hereafter: CRTs) become a solid waste?
2. When may CRTs qualify for an exclusion from the definition of a solid waste?
3. May CRTs be disposed to a municipal solid waste landfill?
4. Are generators required to use a hazardous waste manifest for CRTs?
5. Are persons who store CRTs required to obtain RCRA permits?
6. Are CRTs from households exempt?
7. Are CRTs from CESQGs exempt?
8. Are CRTs a universal waste?
9. Are generators required to obtain an EPA ID number for CRTs?
10. Are there special requirements for CRTs (e.g., labeling, packaging, UW, etc.)?
11. Are RCRA or State permits required for the management of CRTs?
