

ACKNOWLEDGEMENTS

This manual was prepared by the Tennessee Water Resources Research Center (TNWRRC) with technical and financial assistance from the Tennessee Department of Agriculture, Nonpoint Source Pollution Program (319-h), and the Tennessee Department of Environment and Conservation, Division of Water Pollution Control (TDEC-WPC). Many sources were consulted during the development of this manual. Various resources are cited, and specific references are cited for the reader. Any omission of a reference in this manual is unintentional. Permission has been granted to reproduce the information taken from other sources when possible. Any corrections or suggestions should be brought to the attention of the Tennessee Water Resources Research Center.

The authors are especially grateful to the City of Knoxville Storm Water Management Office and the Nashville Storm Water Quality Management Program for the use of content, layout, and other material used from their stormwater BMP manuals.

Numerous other agencies also provided information used in compiling this manual. These agencies include the Chattanooga Storm Water Management Office and the Memphis Storm Water Management office. Personnel from several other local and state agencies and organizations have provided much assistance with review of drafts of the manual, including those mentioned above, including John Charlton, Sid Hensley and Frances Adams-O'Brien of the Municipal Technical Advisory Service (MTAS), Robert Haley of TDEC-WPC; Doug Fritz, City of Chattanooga; David Hagerman, City of Knoxville; Tom Lawrence, City of Memphis; and Robert Karesh, Williamson County.

The authors are especially grateful to following agencies for source information used in the manual:

- Center for Watershed Protection
- Virginia Department of Conservation and Recreation
- California Storm Water Quality Task Force
- Atlanta Regional Commission (Georgia)
- Prince Georges County, Maryland
- Maryland Department of the Environment
- New York State Department of Environmental Conservation
- U. S. Environmental Protection Agency (including Region 4, Atlanta)
