

**ANNOUNCING**  
**Tools and Programs for the Development and Implementation of**  
**Stormwater Management Programs for Local Communities in Tennessee**

**One-Day Workshops**

**October 2**  
**Jackson – Civic Center**  
**Crockett Room**

**October 3**  
**Nashville – Ellington**  
**Agriculture Center**

**October 8**  
**Knoxville – U T**  
**Conference Center**

?? **Workshop objectives(s):** To provide information to Phase II communities more specifically about the permit application process - what is expected and required; what resources/tools are available for completing the application and developing a local stormwater management program; and how several resources/tools can be used in their program.

?? **Topics, tools and programs to be covered in workshop:**

Overview: Why are we here? What is Phase II and what does it mean for my community? Robert Haley TDEC, John Charlson MTAS

Review permit application process: What must be in the application, time frame for application process, other issues. Robert Haley TDEC

Legal authority/resources: What are you already doing that you can modify and take credit for in the application. Model ordinances and regulations. Sid Hemsley MTAS and David Connor CTAS

?? **Tools and programs that will help you meet the six minimum measures: What they are and how you can use them.**

*MTAS toolbox overview related to all 6 measures.*

John Charlson MTAS

*Public education/outreach and Public involvement-*

Tennessee Growth Readiness program. Joel Haden TVA

*Construction site stormwater runoff control-*

TDEC E&S certification and training workshops, new E&S BMP manual and new stormwater video.

Paul Schmierbach TDEC

See other side

*Post Construction Stormwater Management-*  
Post Development Stormwater BMP manual.  
Bruce Tschantz TNWRRC

*Illicit Discharge Detection & Elimination-*  
Overview of program in Phase I community.  
Staff from Phase I community

Panel discussion with representatives from Phase I MS4 communities, TDEC, MTAS, CTAS and UT staff. Questions and answers.

**Workshop Sponsors:**

Tennessee Department of Environment & Conservation, Division of Water Pollution Control

Municipal Technical Advisory Service, The University of Tennessee

County Technical Advisory Service, The University of Tennessee

Tennessee Water Resources Research Center, The University of Tennessee
